May 18, 2020

The Butler County Parks and Recreation department is announcing the phased reopening of Alameda Park.

May 30 – Pavilion rentals, Dog Park and Restrooms

June 8 – Summer Camp

July 1 – Waterpark – pending federal Centers for Disease Control and Prevention and Pennsylvania Department of Health guidance

All Playgrounds will remain closed until further notice.

Due to COVID-19, the Lions shelter and sidewalk construction projects were delayed. Vehicle traffic will remain closed to this area of the park, which does include the parking area for Jade's dog park. However, the dog park will be open for use. We are scheduled to complete the projects by mid-June.

Please keep in mind there will be modifications implemented to our operational plan. Our updated procedures will be provided in the coming weeks for the waterpark and summer camp.

The park status is subject to change at any time.

We ask that all federal Centers for Disease Control and Prevention and Pennsylvania Department of Health guidelines be followed. Thank you for your patience and understanding during this time as we attempt to keep all park users as safe as possible.
