COUNTY SCHEDULES PRESS CONFERENCE

The Butler County Commissioners will hold a press conference announcing a draft proposal to Governor Tom Wolf and the Pennsylvania Department of Health outlining the county's testing and training capabilities in response to the novel coronavirus (COVID-19) at 11:30 a.m. Friday, May 29, in front of the county Government Center.

Under the plan, there will be more robust testing and supports for the general population, congregate care settings and schools along with community outreach efforts.

The plan demonstrates how the county can move safely into and beyond the "green" zone, opening businesses and resuming classes in the fall while protecting the most vulnerable populations.

State and federal legislators have been invited to attend.
