Consumer Reporting Companies

If you decide that you don't want to receive prescreened offers of credit cards and insurance, you have two choices: You can opt out of receiving them for five years or opt out of receiving them permanently.

To opt out for five years: Call toll-free 1-888-567-8688 or visit www.optoutprescreen.com. The phone number and website are operated by the major consumer reporting companies.

To opt out permanently: You may begin the permanent Opt-Out process online at www.optoutprescreen.com. To complete your request, you must return the signed Permanent Opt-Out Election Form, which will be provided after you initiate your online request.

When you call or visit the website, you'll be asked to provide certain personal information, including your home telephone number, name, Social Security number, and date of birth. The information you provide is confidential and will be used only to process your request to opt out.

If you don't have access to the internet, you may send a written request to permanently opt out to each of the major consumer reporting companies. Make sure your request includes your home telephone number, name, Social Security number and date of birth.

Mail

The Direct Marketing Association's (DMA) Mail Preference Services (MPS) lets you opt out of receiving unsolicited commercial mail from many national companies for ten years. When you register with this service, your name will be put on a "delete" file and made available to direct-mail marketers and organizations. This will reduce most of your unsolicited mail. However, your registration will not stop mailings from organizations that do not use the DMA's Mail Preference Service. To register with DMA's Mail Preference Service, go to www.dmachoice.org, or mail your request with a \$7 processing fee to:

DMA Choice
Consumer Preferences
P.O. Box 900

Please allow 90 days for your request to take affect

Email

The DMA also has Email Preference Service (eMPS) to help you reduce unsolicited commercial emails. To opt out of receiving unsolicited commercial email from DMA members, visit www.dmachoice.org. Registration is free for US consumers, and is effective for ten years, after which time you must register again.
