NOTES:

- 1 The data available in this application is dynamic and should be used with care. Please take note of the following data alerts:
- 2 2018 crash records are incomplete
Data for the current year, 2018, is not fully represented in CDART. Crashes will be added for this year as they are made available to the Department. Include this year in queries with caution.
- 3 Complete data years
Complete records of reportable crashes are available in CDART for the following years : 1998 - 2017
