**RE:   Gateway 228 Project  
Butler County, Pennsylvania**

Dear Secretary Chao:

Wayne W. Sell Trucking Corp. is proud to offer its full support for Butler County's funding request through the U.S. Department of Transportation – Better Utilizing Investment to Leverage Development (BUILD) Discretionary Grant Program for the Gateway 228 Project. The requested funds will ensure there is sufficient capacity to safely and efficiently accommodate the movement of goods between Butler County and the region.

Since 1955, Wayne W. Sell Trucking, Inc. has been a leader in quality and service, a full-service transportation operation, serving customers across the Midwest and North East. Transportation infrastructure projects, such as the Gateway 228 Project, allow small businesses to thrive in an increasingly competitive business environment. Numerous Butler County small businesses stand to benefit immensely from Gateway 228's proposed roadway improvements. When Butler County's small businesses thrive, so do Butler County residents.

Wayne W. Sell Trucking, recognizes the profound impact the Gateway 228 Project will have on Butler County businesses and residents, we offer our full support for Butler County's funding request. Should you have any questions regarding our support, please do not hesitate to contact me. Thank you for your time and consideration.

Sincerely,

John Sell  
President  
Wayne W. Sell Trucking Corp.
