RE: Gateway 228 2020 BUILD Grant Application; Funding Commitment Letter - Revision

Dear Mr. Gordon:

As we discussed, Butler County is applying for a Federal BUILD Grant to advance improvements on Rt. 228 around the Three Degree Road intersection and the Freedom Road West segments. Our Board of Supervisors has consistently supported the Gateway 228 Project through financial contributions. I will be recommending that the Board continue that support by pledging a contribution of \$3,750,000.00 toward this BUILD application. Payment of \$1,875,000.00 would be made available upon the award of the Grant and \$1,875,000.00 through the Pennsylvania Infrastructure Bank program. Official action by the Board of Supervisor on this recommendation will be on Thursday, June 4, 2020.

Following Board of Supervisors consideration and approval, I will forward to you the executed Resolution confirming this contribution. If you have any questions or need additional information, please don't hesitate to contact me.

On behalf of the Board of Supervisors and management of Cranberry Township we thank you for your efforts to advance this vital economic development Project, which will be an extremely important part of the region's COVID-19 Recovery efforts.

Cordially,

Jerry A. Andree
Township Manager.
