

Butler County Municipal Waste / Recycling Hauler Registration Certificate Application Calendar Year 2022

Who Must Register?

The Butler County Department of Recycling & Waste Management (“Department”) administers the Butler County Municipal Solid Waste Management Plan and the Butler County Municipal Waste Management Ordinance 2019-01.

All Haulers operating within Butler County, Pennsylvania are required to register with the Department for the collection, transportation and/or disposal of regulated municipal waste to a county-designated waste facility (see current 2022 list of authorized facilities on last page of this Application) and/or recyclables to a material recovery facility or marketed for end use. There is no fee for this registration. All Haulers must be in compliance with all applicable federal, state and local rules and regulations, the County Plan and the County Ordinance in order to ensure, maintain and protect the health and safety of the general public and the environment.

The Waste Transportation Safety Act (Act 90 of 2002, Chapter 62) requires all waste transportation vehicles (trucks and truck tractors with a registered gross vehicle weight greater than 17,000 lbs., and trailers with a registered gross vehicle weight greater than 10,000 lbs.) transporting municipal or residual waste to waste processing or disposal facilities in Pennsylvania to have a valid Waste Transporter Authorization. The law prohibits processing and disposal facilities from accepting waste from waste transportation vehicles that do not have a valid authorization. Please check with the Pa. Department of Environmental Protection for the most current information and requirements.

- ◆ **For Haulers Registered Under Pa. Act 90**—If the Applicant is a hauler registered under Pennsylvania’s Act 90, then a copy of the Act 90 permit must be submitted to the Department. The attached application does not need to be completed by haulers registered under Act 90.
- ◆ **For Haulers NOT Registered Under Pa. Act 90**— Complete the attached application and return it to the Department with required documentation.

Please note that per Ordinance 2019-01, any hauler collecting residential municipal waste in Butler County must also offer curbside recycling and must report recycling tonnages yearly, no later than February 15 of the following calendar year, to the Department.
