

RESOLUTION 2010-21

WHEREAS, the Storm Water Management Act 167 of 1978 provides for the regulation of land and water use for flood control and storm water management and requires the Pennsylvania Department of Environmental Protection to designate watersheds and further provides for grants to be appropriated and administered by the Department for plan preparation and implementation costs, and provides that each County will prepare and adopt a watershed storm water management plan for each designated watershed; and

WHEREAS, the Butler County Board of Commissioners entered into a grant contract with the Pennsylvania Department of Environmental Protection to develop the county-wide watershed storm water management plan for all the designated watersheds within the County; and

WHEREAS, the purpose of the County Storm Water Management Plan is to protect public health and safety and to prevent or mitigate the adverse impacts related to the conveyance of excessive rates and volumes of storm water runoff by providing for the management of storm water runoff and control of erosion and sedimentation; and

WHEREAS, a duly advertised public hearing was held on July 7, 2010, at 2:00 p.m. in the Public Meeting Room at the Butler County Government Center, on behalf of the County of Butler, at which time public comments were sought and received; and

WHEREAS, design criteria and standards of storm water management systems and facilities within the County's watersheds shall utilize the criteria and standards as found in the watershed storm water management plan.

NOW, THEREFORE, BE IT RESOLVED that the County Commissioners hereby adopt the County Storm Water Management Plan, including all volumes, figures, and appendices, and forward the Plan to the Storm Water Management Section of the Pennsylvania Department of Environmental Protection for approval.
